TBIC FDI Trips

Sun, Feb 4th –
 Fri, Feb 9th

FDI Trip: **Advanced Manufacturing in Southern Germany & Austria**

Connect with companies from Austria's advanced manufacturing sector and network with leads from Germany's economic powerhouse, Bavaria. Bavaria's economy is one of the strongest in Europe. In addition to traditional global corporations, global players in the ICT industry and a strong SME sector, the start-up scene is also growing. Austria has several important solid domestic industries: the food industry, mechanical engineering and steel construction, chemical industry, automotive industry, electrical and electronics industry. Join us on our first FDI trip of 2024 and connect with Europe's leading industry representatives.

Price: \$8,750, limited participation, first come, first serve.

Sun, Apr 21st –
 Fri, Apr 26th

FDI Trip: **Hannover Messe & Germany (Advanced Manufacturing)**

Spring means Hannover Messe! Company visits and multiplier meetings, networking & 2-day Hannover Messe Trade Fair visit including scheduled meetings to generate new leads for your region. Under the motto INSPIRING THE WORLD WITH TECHNOLOGY, the 2024 Hannover Messe will have a focus on advanced manufacturing and include many companies from the digitalization and decarbonization sectors.

Price: \$8,750, limited participation, first come, first serve.

Sun, Oct 6th –
 Fri, Oct 11th
 (tbc)

FDI Trip: **Advanced Manufacturing & Food Processing in Italy & Switzerland**

Company visits and multiplier meetings to generate new leads for your region, networking & a 1-day visit to metal forming, robotics, and additive manufacturing trade fair BIMU in Milan, Italy. The region is also well-known for the food processing industry. Switzerland is the 8th largest source of FDI in the United States. Opportunities exist with major corporate players but also the many Swiss SMEs in e.g., the chemical, metal and machine engineering industries operating globally.

Price: \$8,750, limited participation, first come, first serve.

Sun, Oct 20th –
 Fri, Oct 25th

FDI Trip: **Automotive Industry in Germany & IZB Show**

The International Suppliers Fair - IZB - Wolfsburg is Europe's leading trade fair for the automotive supplier industry. More than 930 exhibitors from over 37 countries present the latest trends and innovations in the industry at the fair. The high-quality exhibitors and large number of key decision-makers and trade visitors that attend the fair make it the most important communication and business platform for the industry.

This trip also includes company visits from the automotive sector in Germany. Join us to meet key players from Germany in the industry and generate new leads for your region.

Price: \$8,750, limited participation, first come, first serve.
